

A technical drawing of a mechanical assembly, likely a bracket or support structure, shown in a side view. The drawing includes the following numbered callouts:

- 1**: An arrow pointing to the left, indicating a direction of force or movement.
- 2**: An arrow pointing to the right, indicating a direction of force or movement.
- 3**: Points to a vertical rectangular section at the top.
- 4**: Points to a vertical dashed line extending downwards from the top section.
- 5**: Points to a vertical rectangular section in the middle.
- 6**: Points to a horizontal rectangular section extending to the right from the middle section.
- 7**: Points to a vertical dashed line extending downwards from the horizontal section.
- 8**: Points to the bottom-most vertical rectangular section.
- 9**: Points to the horizontal section of the bottom-most part.
